

Bancroft PTO Meeting Minutes  
February 12, 2009

Principal Francine Goldstein gave an in-depth review of MCAS results: where Bancroft scores in relation to other Andover Elementary Schools and the State, a graft analysis of how the 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grades have scored, examples of where Bancroft may be able to improve scores and why there seems to be areas where the kids score higher than other areas. Also, examples on ways the teachers may be able to increase the scores.

**Website:** Annie Gilbert announced that Heidi Borenstein has agreed to take over the BancroftPTO.com website! Heidi's email is [HBorenstein@hotmail.com](mailto:HBorenstein@hotmail.com) if you have information to post on the website. The website has been transferred to a new host so hopefully there will not be any more glitches in the system.

President Karen Marotta announced that the PTO is looking for a new President and Vice President for the 2009-2010 school year. The PTO will very soon be looking to fill open chair positions for next year as well. Anyone interested in seeing what is available or interested in helping run the PTO in any way, please contact Karen at [Marottas5@verizon.net](mailto:Marottas5@verizon.net) or 978-623-8088.

Karen is also looking into Insurance for the PTO Board. If anyone in the Bancroft Community works in the Insurance Business and could help us out in any way, again please contact Karen Marotta at the above email/phone number.

Respectfully Submitted,

Laurie Brosnan, Recording Secretary
