Street Listing for weekly collections	4 - 5
Tires	7
Waste Motor Oil	7
Yard Waste	2
Zero Waste Day	7

Dear Andover Residents,

The Town of Andover is providing this guide to assist you with the collection guidelines and dates for recycling and trash disposal. Included in this guide are special collection events for CRT, Household Hazardous Waste, curbside leaf collection and other disposal options provided for Town residents.

For the fiscal year of July 2011 through June 2012, **Allied Waste** will collect your household rubbish and **Integrated Paper Recyclers**, will collect your recyclables.

Please note trash is limited to a maximum of 135 gallons (see below) and recycling will be **MANDATORY**. Our goal is to save the Town money by decreasing the trash tonnage and increasing recycling. Just five (5) additional pounds of recycling per household each week diverted from the trash could save Andover \$75,000—\$100,000. We ask all residents to participate in working towards this goal.

We hope you find this guide helpful. Please feel free to contact us if you have any questions or suggestions regarding Recycling and Rubbish disposal in the Town of Andover.

Sincerely,
Department of Public Works

MISSED PICKUPS / COMPLAINTS

Household Rubbish ~ Allied Waste 800-442-9006
Recycling ~ Integrated Paper Recyclers 800-933-3128

RULES & REGULATIONS—PLEASE SEE INSIDE FOR CHANGES

Household rubbish is limited to 4 bags or barrels, no more than 50 pounds each, or the equivalent of 135 gallons maximum per residence. NO "Business" rubbish accepted.

Trash is collected weekly. Recycling is collected bi-weekly. See pages 4 & 5 for details.

****All trash and recycling must be curbside by 7:00 AM ****

Truck routes and schedules are subject to change without notice during the day

Trash on private property will NOT be picked up

One Bulky Item is allowed per week in addition to household trash (see page 7 details)

Recycling or Trash buried under snow **WILL NOT** be picked up

WEATHER RELATED DELAYS, CALL 978-623-8350, OPTION 1

For quantities exceeding the amount listed above, it is suggested that a private contractor be contacted for disposal

(Please see Page 6 for a list of private contractors)

QUESTIONS ABOUT RECYCLING OR RUBBISH DISPOSAL IN ANDOVER

Please call DPW at 978-623-8350, option 1 or e-mail at dpw-business@andoverma.gov

SPECIAL COLLECTIONS

YARD WASTE

CURBSIDE LEAF COLLECTION

Leaves **ONLY**— (same day as trash pickup)

****NO rocks, stones, branches or stumps.**

FALL— the 5 weeks before Thanksgiving and one week following Thanksgiving week. **NO** collection during the week of the Thanksgiving holiday.

SPRING—the 5 weeks before Memorial Day and the week of Memorial Day.

Leaves accepted **ONLY** if in:

- open trash barrels
- brown paper leaf compost bags
- **PLASTIC BAGS NOT ACCEPTED**
- Must weigh 50 pounds or less

***NOTE - the leaf collection truck is a separate truck than the household trash truck*

BUNDLED BRANCHES

Twigs/branches are allowed in the weekly trash pickup, (subject to limitation of 3-4 bundles) and must be bundled with tape or rope as follows:

- 1" to 6" in diameter
- 50# or less
- up to 4' in length
- No foliage

COMPOST SITE *Permits Required*

Bald Hill on High Plain Road

Andover Residents **ONLY**—**Proof Required**

Leaves and grass clippings **ONLY**

Brush and branches are **NOT** allowed

(refer to Bundled Branches to left)

Please go to www.andoverma.gov/compost

for details regarding the new Bald Hill Compost Site Rules and Regulations, or call Plant & Facilities at 978-623-8280.

BURNING SEASON

JANUARY 15th—MAY 1st

Permit and information packet available at

The Fire Department ~ 978-475-1281, x2012.

CHRISTMAS TREES

Christmas Trees will be collected the same day as trash collection. Please remove all decorations and place tree curbside with your regular trash.

(Trees frozen in snow banks will not be picked up.)

(COLLECTION FOLLOWING HOLIDAYS ABOVE, WILL BE ONE DAY LATER. SCHOOL CLOSINGS AND OTHER RELIGIOUS HOLIDAYS **DO NOT** AFFECT THE SCHEDULE)

(NO CHANGES TO COLLECTION DAYS ON CHRISTMAS AND NEW YEAR'S DUE TO THE HOLIDAYS FALLING ON A SUNDAY)

SPECIAL ITEMS

PRIVATE DISPOSAL OPTIONS

Residents are responsible for costs associated with private disposal

Appliance Recyclers– *White Goods & Electronics* 877-228-2898
(Kevin Gray) www.applrecyl.com

Greenwood Recovery Systems 603-434-8319

@ Your Dispose All 888-303-7874

We Get Rid of It 866-952-8400

1-800-GOT-JUNK 800-468-5865

Mello Transfer Station - Georgetown, MA 978-352-9948
(drop off only)

Haverhill Metal Salvage - Haverhill, MA 978-372-6900
(drop off only—metals, no Freon items)

LL & S Disposal - Salem NH (drop off only) 603-898-4089

****The Town of Andover does not contract with nor make recommendations for any companies listed above. The list is solely a resource for the residents and subject to change without notice.**

HOUSEHOLD HAZARDOUS WASTE may be disposed of at the Town's HHW Collection. See page 2 for details.

APPLIANCES

Large household appliances are not allowed with regular trash nor are they recyclable.

They include but are not limited to: refrigerators, stoves, washers, dryers, dishwashers, heaters, air-conditioners, humidifiers/de-humidifiers, hot water heaters, etc.

Residents are responsible for appliance disposal and payment. Check under Private Disposal Options (above), local advertisements and the Yellow Pages.

*The Town of Andover will NOT pick up appliances.
There is no drop-off site in Andover for appliances*

PROPANE TANKS

- 20# Propane tanks are **NOT** accepted curbside
- Contact your local hardware store for drop-off and exchange information
- Propane Tanks accepted at HHW for a fee (see page 2)
- **DO NOT** bring tanks to the CRT Collection

FIRE EXTINGUISHERS

Quality fire extinguishers (most are metal) in good condition can be recharged. Inexpensive fire extinguishers (most are plastic) and those in poor condition cannot be recharged.

Look under "Fire Extinguishers" in the Yellow Pages for a company that can recharge or call your local hardware store to see if they offer this service.

LATEX PAINT

Latex paint is accepted with your trash if completely dried:

- Remove cover and allow paint to dry.
- Place stick inside can and stir occasionally to eliminate skin formation to aid drying time.
- For faster drying; add kitty litter or commercially available drying agents to paint.
- Cover must be removed when placed curbside so that the dried paint is visible.

CONSTRUCTION DEBRIS

Construction & Demolition Debris, C&D, is banned from the waste stream and will not be collected curbside. C&D consists of but is not limited to; asphalt, brick, concrete, cabinetry, windows, doors, skylights, roofing, sheetrock, siding, all fences, electric wiring, radiators/baseboard heaters, insulation, piping etc.

You will need to make arrangements with either your contractor to dispose of the waste or privately contract with a disposal service. A list of **Private Disposal Options** is shown on this page.

Asbestos is required to be disposed of via a licensed Asbestos contractor. For more information you can visit www.mass.gov/dep

RAW WOOD

Raw Wood consists of any unused, untreated wood product void of paint, stain, varnish, nails, screws, etc.

- Removing nails does not return it to RAW WOOD
- Plywood is NOT considered Raw Wood
- Pressure treated wood is NOT Raw Wood
- Fences of any kind, are NOT Raw Wood

Wood must be bundled as follows:

- 6" in diameter or less, 3'-4' lengths
- taped or rope together
- each bundle must weigh less than 50#.

METALS

Small quantities of metal will be accepted with regular household trash. Larger quantities are suggested to go to a metal salvage yard.

SMOKE DETECTORS

Old Smoke and Fire alarms may be returned to the manufacturer.

Newer models may be disposed of in your trash.

GLASS: salsa jar, salad dressing, wine bottles. **METAL:** soda cans, vegetable cans

PAPER: food boxes, junk mail, paper bags, newspapers, magazines.

PLASTIC: Gallon jug, mayo jar, peanut butter jar, yogurt drinks, spice jar, water bottle, soda bottle.

STORMWATER MANAGEMENT

The Town is continuing to implement a Stormwater Management Program to improve water quality by reducing the discharge of pollutants from storm water runoff into local storm drains, rivers, ponds, streams and other receiving waterbodies. The following information is provided as part of the Public Education component.

ILLICIT DISCHARGE DETECTION AND ELIMINATION

What is an illicit discharge?

An illicit discharge is the discharge of pollutants or non-stormwater materials into a storm drain system via overland flow, direct dumping, or illegal connections. Illicit discharges may be a result of industrial activity, deposits of oil on parking lots, excess lawn fertilizer and yard clippings, and a variety of other sources which pollute water with turbidity, excess nutrients, and bacteria. Illicit discharges can also be from failing septic systems or improperly connected sewer lines. Dumping anything other than stormwater into a storm drain allows these pollutants to enter lakes and streams causing public health concerns, harm to wildlife, and unpleasant odors or color. Developing an illicit discharge detection and elimination program (IDDE) to find and eliminate these sources is mandated by the US EPA under the Municipal Separate Storm Sewer System (MS4) Permit.

Sources of Illicit Discharges

- Sanitary wastewater (sewage)
- Septic tank waste or overflows
- Car wash, laundry, and industrial wastewaters
- Improper disposal of auto and household toxics, such as motor oil, antifreeze, and pesticides
- Spills on roadways and other accidents

How can you help?

- Never dump anything down a storm drain.
- Dispose of yard and pet waste properly.
- Avoid excess use of pesticides and lawn fertilizers.
- Wash your car at a car wash facility.
- Make sure sanitary, laundry, carwash, and industrial wastewaters do not drain to the storm drain system.
- Have your septic tank pumped and inspected at least once every two years.

Contact the Engineering Dept. @ 978-623-8350 x520 to report any unusual storm drain flows that have a noticeable odor, discoloration, or oily sheen.

~HELP KEEP OUR STORM DRAINS CLEAN~
